

MASTERPIECE DELUXE
30" ELECTRIC COOKTOP WITH TOUCH CONTROL
AND SENSOR DOME™
CES304FS

Thermador® | *An American Icon*™

FEATURES & BENEFITS

The CookSmart® feature offers optimized, programmed cooking modes for superior cooking results.

The new Sensor Dome™ option measures the temperature of the pot. With the help of CookSmart®, the temperature is reached and maintained automatically without boilover.

Touch controls with blue illumination are easy to use and offer a sleek, modern design.

Newly designed control panel coordinates with all Thermador Masterpiece™ Series appliances.

This cooktop is easy to clean and can be installed to fit flush with your kitchen countertop.

Thermador's triple element offers the maximum in cooking flexibility.

The Keep Warm option on every element helps you prepare multiple-course meals.

Notes: All height, width and depth dimensions are shown in inches. Solid surface countertops require special cutout size. Please refer to installation instructions prior to making cutout. Installation instructions are available at www.thermador.com.
