

MORE FREEDOM, FRAMED & PRE-ASSEMBLED.

The new Freedom Framed Collection was designed to offer a simple, yet elegant solution for creating a customized refrigeration system for the upscale kitchen. It features our signature chiseled door design along with a sleek, stainless steel frame that perfectly complements our Professional Series family of appliances. The new collection comes pre-assembled, framed and ready to go—which means ordering is more streamlined and the installation process easier than ever. The Freedom Framed Collection makes the entire experience more convenient from start to finish.

For those who prefer a more individualized design approach, we still offer our award-winning Freedom Fully Flush Collection—which offers virtually endless refrigeration and wine storage configurations for seamless in-cabinet installation and the ultimate in food storage customization. More flexibility. More options. More choice. Creating a new Freedom kitchen has never been easier.

The Framed Collection offers all of the functionality and convenience found in Thermador's groundbreaking Freedom refrigeration system. This means you enjoy the state-of-the-art engineering and premium features that greatly improve food freshness and make everyday kitchen tasks a pleasure, regardless of which collection you choose.

NEWLY DESIGNED ICE BIN

- Redesigned ice bin for bottom-freezers maximizes and improves ice production

FLEXTEMP™ DRAWER

- Minimizes temperature fluctuation
- Keeps food at optimum freshness

LUMINOUS™ BRIGHT HALOGEN LIGHT TOWERS

- Provides brilliant illumination to locate food easily
- Prevents losing track of items, which reduces spoilage

FREEZER DRAWER

- Accommodates large items more easily
- Improves food organization

LIBERTY® SHELF

- Lets you adjust a fully loaded shelf with just the touch of a button
- Maximizes interior space
- Improves storage versatility

FREEFLOW™ COLD AIR SYSTEM

- Cold air channel integrated into the door helps stabilize temperature, keeping door items as cold as shelf items

ADDED MEAT DRAWER

- Allows meats, seafood and poultry to be stored at an optimal temperature and separate from other food items (for bottom-freezers)

DESIGN OPTION: COLUMNS

- Install multiple units either separated or side-by-side for the ultimate freedom in kitchen design

DESIGN OPTION: SIDE-BY-SIDE

- Unify any two columns with an extra long frame. Select TE42UKIT10 for a 42" configuration or TE48UKIT10 for a 48" configuration
